**Old Settler Dies.**

Dr. A. C. Davis, one of the early settlers and doctors of North Topeka, died at the home of his son, Dr. O. P. Davis, Saturday noon, after an illness lasting for several weeks.

The deceased was born in Indiana, March 23, 1836. His parents moved to Iowa, where he lived until early manhood. His medical education was begun previous to the breaking out of the civil war. When the war commenced he was completing his final year in medical college, and volunteered as a private soldier and was soon raised to the rank of regimental surgeon, which he occupied until the end of the war.

At the close of the war he moved to southwestern Missouri, where he practiced medicine until 1891, when he came to Topeka, and has been actively engaged in his profession, until the time of his death.

Until the death of his wife, which occurred four years ago this month, Dr. A. C. Davis lived in the 900 block on Park street, but for the last four years he has lived with his son at 1627 Central avenue.

He was highly esteemed by those who knew him. He was a member of Blue Post, G. A. R., Knight Templars and Golden Rule lodge No. 90, A. F. and A. M.

The funeral services were held at 3 o'clock this afternoon and were in charge of the Masonic lodge. Burial was in Rochester cemetery. Dr. Davis leaves two sisters, one living in Bladensville, Ill., and the other in Carrollton, Mo.

**Rain Improves Roads.**

The roads of North Shawnee are greatly improved since the recent rains. The ruts and rough places have been smoothed down and the roads are now packed firm.

Even the roads have been in a bad condition. The continued moisture, caused them to be cut in some places, four and five inches deep. The road overseers have been busy engaged in dragging and grading the various roads for the past few weeks.

**Notes and Personal.**

Principal A. McAllister of Grant school was painfully injured Friday, while witnessing a game of baseball on the Grant school grounds. A wild ball hit him on the hip, cutting his hip and causing several stitches to be taken.

Mrs. P. B. Morse sold a 10-acre tract on West College street the last of the week to W. R. Phillips.

J. W. Dillon of Silver Lake was a North side visitor today and reports that his early corn is coming through the ground. The farmers having their corn planted before the recent rains are being greatly benefited by the moisture.

F. C. Hummer has returned to his home in Elmont after a business trip to North Topeka.

Richard Elmore has returned from Grantville, where he spent the last week.

Helen Barr of the Dibble Grocery company spent Sunday with her parents in Baldwin, where she is married.

Joe Stock of Indian Creek was on the North side today on business.

## ECZEMA ITCHED ALL THE TIME

Tortured for 12 Years. Jar of Resinol Ointment, with Resinol Soap Cured.

December 11, 1914.—"I was tortured with eczema for about 12 years. From my ankles to my knees I was covered with blisters which would ooze a watery substance and then dry up and scale off something like fish scales. My legs and feet were fiery red and would swell up so that I could not get my shoes on. They would itch and burn all the time, and worse at night, when I would wake up scratching and bleeding.

**Relieved Almost at Once**

"I tried every remedy recommended for eczema but without any benefit. I can't say too much in praise of what Resinol Ointment and Resinol Soap have done for me. It relieved almost at once, and a 50c jar of Resinol Ointment and less than a cake of Resinol Soap completely cured my trouble. I am in my 87th year." (Signed) D. L. Lindsey, 213 E. Day St., Denison, Tex.

Every druggist sells Resinol Soap and Resinol Ointment. For trial, free, write to Dept. 19-R, Resinol, Baltimore, Adv.
